

Paviththan Ravithas

Full-Stack Developer

 Sri Lanka  +94771112548  paviththanravi@gmail.com  pavi.is-a.dev

Profiles	 rekcah-pavi	 rkpavi	 pavi
----------	---	--	--

Summary	I started programming in 2018, learning multiple languages and working with diverse developers. Before AI tools became common, I gained a strong foundation in hand-coding and code structure. As a passionate reverse engineer and long-time Linux user, I value building secure, reliable, and efficient software systems.
